Notts Classic Car & Motorcycle Show

**Taking place on Bank Holiday Sunday 28 August & Monday 29 August 2022
Thoresby Park, Ollerton, Notts, NG22 9EP**

Thoresby Car Show Relocated back to the Lawns at Thoresby Park!

Classic Shows are delighted to announce that the Notts Classic Car & Motorcycle Show due to take place on the Sunday and Monday of the late August Bank Holiday – this coming weekend – has been relocated back to the main lawns and parkland at Thoresby Park.

After taking place at the Market Fields at Thoresby Park for the past 2 years, the event, known locally as ‘the Thoresby Car Show’ is back where it belongs and where it has run for the majority of the past 30+ years.

This popular and family friendly event is expected to attract well over 1,000 vintage, classic and modern classic vehicles on display over the weekend including a special VW and Mini theme.

The event offers a spectacular day of motoring heritage ideal for enthusiasts, families and day trippers alike and features an exciting range of vintage, classic and modern classic vehicles displayed on the basis of age (pre-60s, 60s, 70s, 80s, 90’s onwards) and type (sports and convertibles, kit, custom and replica, American and commercial vehicles) alongside a wide display of vintage and modern motorcycles. Expect to see club stands and displays from a range of local car clubs plus special vehicles of interest.

There will also be vehicle judging and awards overseen by leading commentator and fans favourite Les Clayton. Awards will be presented for a range of categories and culminating in the Pride of Ownership, Club of the Show and Car of the Show awards. Each participating vehicle exhibitor will also receive a complimentary commemorative plaque. Add to this a large number of trade and autojumble stalls, children’s entertainment, quality food, drink, ice cream and responsible bars – what’s not to like?

Classic Shows director, Matthew J Harvey commented

“It has taken a lot of hard work and time to be in a position to move the event back to its true home, on the lawns at Thoresby Park. I would like to thank the team at Thoresby Park for working with us to make this a possibility. It has been necessary to relocate the visitor car parking areas so we ask all visitors to work with our stewards and car parkers to make this transition as easy as possible.”

We were aware of feedback regarding the relocation to the Market Fields and wish to assure all visitors, exhibitors and traders that we always sought to run the event from the lawns, but for a variety of reasons, this wasn’t possible over the last few years. This was never about money and we wouldn’t have considered moving the event unless we had to. We are delighted to be able to confirm the event will once again take place on the lawns both this August Bank Holiday weekend and also in our final event at Thoresby Park in 2022 on 2 October 2022. At this stage we remain hopeful that we can work from the lawns throughout 2023 also so watch this space!”
